

YES, WE ARE OPEN!

We are here to continue serving our community!

CHIROPRACTIC CARE IS AN ESSENTIAL HEALTH CARE SERVICE.

CORONAVIRUS (COVID-19) UPDATE 4/8/2020

Greetings Dear Friends,

I want to assure all **our patients** that our offices are adhering to the latest **essential health care facility guidelines** put forth by the **CDC and CT Department of Health**, regarding the **Coronavirus**. We have had to make several changes that we want you to be aware of in making every effort to protect you.

1. **SANITIZING:** We are **extra sanitizing all common contact surfaces**, including door-knobs, chairs, handles, etc.
2. **TREATMENT TABLES AND OFFICE EQUIPMENT:** are **extra sanitized before each patient**.
3. WE had to remove **all magazines and other reading materials as well as sign-in sheet**, for your protection.

ONCE YOU ENTER OUR OFFICE, YOU CAN EXPECT THE FOLLOWING:

One of our friendly **Masked Staff member** will check you in.

1. **HAND SANTIZER** is available as soon as you enter.
2. You **MUST PASS** a health history screening and forehead temperature check.

PLEASE UNDERSTAND, IF YOU FAIL YOUR HEALTH HISTORY SCREENING, HAVE A FEVER AND/OR ARE EXPERIENCING ANY OTHER COVID-19 SYMPTOMS, WE RESERVE THE RIGHT TO DENY TREATMENT, PROVIDE YOU WITH A REFERRAL TO THE PROPER PHYSICIAN AND ASK YOU TO LEAVE.

3. **SOCIAL DISTANCING:** We have altered our schedule and reception rooms to practice social distancing during your visit. We ask if you have a driver, that they please wait in the car.
4. **In-office visits will not exceed 10 people, including Doctors, Staff and Patients.**

Please call the office if you have any questions. Yours in Health,

Dr.D.
